Lynda Denley	7987370	10/04/2007	Plan Check Comment: DNS issued October 4, 2007, with 15-day comment period.	Approved but on Hold
Dara Mueller	7982584	08/08/2007	Plan Check Comment: No wetland or fish and wildlife review required. Resource Management is considering this proposal for biosolids application to meet the definition per WAC 222-16-050(3)(0) of chemical application. Chemical application is included in the definition of Class I forest practice activities that is exempt from review under Pierce County Title 18E.	Approved
